Corporate Sponsorship Program

Business entities have expressed interest in reaching Stuart Green Market patrons. Corporate entities, such as real estate, banking, and other commercial companies don't meet our requirements for renting weekly space at the Market. This program is designed to provide businesses appropriate access to the patrons of the Stuart Green Market.

The Stuart Green Market can meet the marketing needs of corporations by allowing corporate sponsorships of musical entertainment programming at a Sunday Market. In return, the Market will include the corporate sponsorship in its advertising, allow the corporation one free rental space and provide the promotion of products (s) via public address throughout the morning. Appropriate public announcements would be welcome, but announcements should not overwhelm patrons.

The Market Manager and the Market President, both on site, will provide guidance to corporate sponsors on public address usage. This corporate sponsorship level is \$500.

The Board will consider additional or alternative levels of corporate sponsorship as requested.
